EUGENE, Ore. – The Ford Family Foundation has selected 45 students from Oregon and
Siskiyou County, California as new scholarship recipients of the Ford ReStart Scholars
Program. This year’s Ford ReStart Scholars were chosen from 250 eligible applicants.

The Ford ReStart Scholars Program was established in 2001 to support adult students
pursuing a two- or four-year degree at an accredited school in their home state.

In addition to demonstrating financial need, recipients must have a successful history of
employment or working in the household, believe in education as a way of improving life
and show involvement in community activities. Applicants must also demonstrate
leadership skills and an ability to clearly communicate personal goals.

The renewable scholarship covers up to 90 percent of each student’s unmet financial
need for college per academic year.

Kenneth W. Ford and Hallie E. Ford built their company, Roseburg Forest Products Co.,
into one of the largest privately held companies in the United States. They established
The Ford Family Foundation in 1957 after the business had experienced two decades of
growth.

Other scholarship programs supported by the Foundation include the Ford Scholars
Program, the Ford Transfer Scholars Program, the Ford Opportunity Scholars Program
and The Ford Family Foundation Scholarship Program for Sons and Daughters of
Employees of Roseburg Forest Products Co.

Since 1994, the Foundation’s Scholarship Programs have awarded more than $200
million.

For a list of the 2021 awardees or more information about The Ford Family Foundation,
